

BLOW ART STEP-BY-STEP

Add 3 Tablespoons of water to paint cups. Use the plastic dropper to stir well.

Supplies:

- 1 Tablespoon washable tempera paint (various colors)
- 3 Tablespoons water
- 1 straw
- 1 plastic dropper
- paper

INSTRUCTIONS:

Step 1: Add 3 Tablespoons of water to each paint cup provided in the kit. Stir well using plastic dropper.

Step 2: Insert end of plastic dropper into paint water. Squeeze and release to pick up paint water.

Step 4: Squeeze paint water onto paper and use straw to blow the liquid across the paper.

Ready? Three... two... one... GO!

WHAT IS HOLI?

A Festival of Colors

Holi is celebrated in spring by people in India, Nepal, and many other countries, including right here in the United States.

Holi is a festival of friendship and new beginnings. People dance with family, friends, and neighbors. They celebrate the new colors of spring by throwing colored powder made from crushed dried flower petals into the air and at one another.
